| | Clubs sending 3-6 boats will be entitled to a 20% discount |
| | Clubs sending 7+ boats will be entitled to a 40% discount |

Booking deadline: Friday 28th July 2017

General Event Overview

The camp is aimed at improving sailing skills and introducing or improving racing techniques. The event will be run by qualified instructors or race coaches. It is open to all sailors who can manage a triangular course in reasonable conditions.

The camp will last 3 days and will start (boats rigged) at 10.00am each day, finishing around 5.00pm, maybe slightly earlier depending on weather conditions. We hope to have early evening social activities e.g. DVD's and at least one evening BBQ.

Participants are encouraged to attend for all 3 days but if this is not possible any variation is acceptable. We intend to have two groups reflecting the sailors experience however many activities will be combined.

The Friday after the camp is our Junior 6 Hour Race so we encourage everyone to think about entering a team. We can probably combine individuals into a team where necessary.

Important information for attendees

Please ensure that everyone on the camp turns up with:

Full sailing gear including plenty of warm layers, spare clothes

Plenty of drink and suncream. Our Galley will be open for food and drinks

Please note the following stipulation regarding safety and supervision of the youngster during the camp.

Children attending the camp must have a parent or guardian on site during each day of the camp. The aim of this is to ensure that the coaches are coaching and not child-minding. So if there are periods when a child opts out of a particular session (if it is too windy for

example), we need to ensure the coaches can still take the remaining sailors on the water without any concerns about the children on shore. So, as a parent of a sailor, you will be required to formally nominate yourself or a substitute as an on-site guardian for each day of the camp, which will be recorded on the sign-in sheet each day. We hope you understand we cannot have children without adequate safety supervision, both off and on shore. Club coaches and assistants are on duty primarily to coach, although of course we are all there to keep the children safe and enjoying themselves. Everyone will be required to leave a contact phone number regardless of whether they are on site or not so we can ensure we can contact you if needed.
